GENERAL INFORMATION

City Council appointees to boards and commissions must reside or own a business within the sphere of influence. If you would like to apply for appointment to any of the boards or committees described in this pamphlet, you must complete a candidate application form and return it to the City Clerk's Office. When a vacancy occurs on any of the boards you have indicated an interest in, the City Council will conduct interviews of all candidates on file prior to making a selection. Applications are kept on file for a period of two years from the date of receipt or until appointment, whichever occurs first.

Because the Council recognizes that the time of its citizen volunteers is very valuable, a policy has been adopted regarding attendance requirements for all Council appointed members of boards, commissions and committees. Members who are absent from three consecutive regular meetings or 50% or more of all meetings within any consecutive twelve month period will be automatically removed from the committee upon which they are serving, unless the Council determines there was good cause to excuse those absences. - By adopting this policy, the Council hopes to eliminate problems with meetings that cannot be held because of a "lack of a quorum". For more information regarding this policy, please contact the City Clerk's Office.
